IF YOU HAVE ENGINE TROUBLE, READ THIS

When the ignition system of an engine depends upon a battery, the possibility of trouble is evident—so much else depends on that battery, too.

Ignition should be alone, independent of all other units; it should be produced by a good magneto which performs no other function than producing reliable and efficient ignition. When you have magneto ignition, then and only then can you be free of puzzling ignition worries and starting difficulties.

Special Bosch Attachments for the installation of the reliable Bosch Magneto to replace ignition systems depending upon batteries or dynamos are now available.

Brackets for installing Bosch Magnetos on Ford and Hupmobile cars carried in stock.

CLOSE FINISH OF BIG PINE IN THE BASKET BALL TOURNEY

Tonopah triumphed in three exciting games of basketball played last evening in the high school gymnasium. The visiting teams were from Big Pine, California, and fully one hundred enthusiastic rooters came from Inyo county to cheer for their teams. They came in twenty cars and there was a spirited scene at the Mizpah when the autos were parked and their occupants dismounted. One of the cars was placarded: "We have brought your father back." Needless to say, this meant that Jim Butler, the discoverer of Tonopah, was in the party.

Not only was the seating capacity of the capacious gymnasium taxed, but all the standing room was occupied, and some late comers could not gain admission.

The first game was between the Big Pine and Tonopah high school girls. It was rather one-sided, the visitors evidently having trained under boys' rules, which handicapped them seriously. The Tonopah girls played with skill and precision, giving them the victory by the one-sided score of 25 to 4.

Following was the lineup:
Tonopah: Arlene Dalzel, G. Elsie Salque, Inez O'Connell, G. Altha Branson, Ella Perry, F. Edna Uhlmyer, Helen Clendenen, F. June McMurray, Lavina Shulte, C. May McMurray, Kate Logan, C. Enid Robinson.
Big Pine: Mr. Carlson of Big Pine was referee. The first half was rather tame, but the play was fast and furious in the second, the result being in doubt at all times. The final score was 18 to 17 in favor of Tonopah.

At the conclusion of the tourney the visitors were served refreshments by the domestic science students, after which dancing was enjoyed. The visitors are being shown the sights of Tonopah today.

Representative Kitchin said he would concentrate his attention on appropriations before the recess.

Delightful dinner parties are being given at the Big Casino cafe every evening. One of the most enjoyable of the series was on Sunday evening, when Frank Dumont was host.
